NITIN GADHI.....RARING
TO FIRE

Education

- You are the most qualified person in the organisation..
- Responsible for setting process, internal control and checks
- Define job profiles
- Identify what not to do
- Owner of change
- People respect you but will not accept what you say
- Your mistakes will be glorified if you are not owner
- You can be challenged
- You may be turned down
- Time consuming

VISION , MISSION, GOAL

-fire under belly

Ambition

- Clarity of potential
- Finding limitations to work
- Risk shouldering attitude
- Challenge the existing system/process
- Integrity

Alternate application

- ...Chart the uncharted territory

What more...where else

- Automation
- Productivity enhancement
- Innovation
- Untested
- Scalability
- Cheque printing..
- Deposit scan cheque in rbi clearing
- RTGS NEFT
- Mobile Wallet
- Tie up with vendors entertainment, restaurants, amusement parks

RISK ..

.. Move out of comfort zone

Dislike Tired..fatigued ..monotous ..routine

- High recurring Remuneration Low job satisfaction
- No family life
- Attend work first
- Yes attitude
- Being tracked for anything and everything
- Has finite end
- No remuneration to start
- Enjoy what you do
- Creative thinking
- Navigate and explore ideas
- Challenge attitude
- Keep charting new territory
- No end

Plan

..before you take plunge

Plan for known variables

Finance dependency... npv of capital zero for defined duration

success criteria is put fuel before it goes off

Work dependency.... Train and delegate everything you can

success is without you it performs better

Culture dependency..... Socially oriented projects

criteria is team remains on mission till end
